THE GAME

B.1

Teams must be ready to go on the ice 15 minutes before game time. The only exception is the first game of the day. In the event of unforeseen circumstances which affect the team's ability to start within 5 minutes of the scheduled time, the on-ice officials shall declare a default.

B.3

All preliminary games will consist of 2-15 minute stopped time periods. Exception will be for the AA's category teams who will play 2-20 minute stopped time periods. And the AAA division will be playing 4 – 12 min period with ice time done between period 2 and 3.

B.4

If semi-finals and finals are tied after regulation time, one 5 minute stopped time period will be played with the first goal scored resulting in an end to the game. A coin toss will determine which team will start with the ring. If no goals are scored during the 5 minute overtime period, rule B.4-1 will apply.

B4.1

A shoot-out will be used to determine the winner. (Reference article 3.04.01 R.Q.) Five players must be indicated on the score sheet prior to the start of the game. The entire team must be numbered to indicate the number of players, excluding goaltenders, which are eligible to shoot if a tie still remains after the first 5 shooters. In case of injury during the game, the list will be revised to reflect the injury. If after the first 5 shooters the game is still tied, then the shoot-out will proceed with each team sending one player to shoot until one team has more goals than the other. The ring will be placed on the red line, players will be in the semi-circle (center ice) closest to the opposing goaltender.

Notes:

If a player misses spearing the ring, the shot is considered missed. Also, a continuous movement must be used, no stopping, no circling around the net is permitted and a player cannot go back from where she came from. If a goaltender deliberately commits a foul which warrants a penalty, a goal is awarded.

Miscellaneous

Sportsmanship is part of the game.

Time constraints do not allow for team exchanges or pictures on the ice before or after the games. If a team wishes to make a gift exchange, they can do so in the hall way or reception hall before or after the game.

We would like to remind the coaching staff that they are responsible for their team and fans when they are in the arena.

A qualified medic is on call at the Sportplexe Arena at all times.
