THE GAME

B.1

B.4

If semi-finals and finals are tied after regulation time, one 5 minute stopped time period will be played with the first goal scored resulting in an end to the game. A coin toss will determine which team will start with the ring. If no goals are scored during the 5 minutes overtime period, rule B.4-1 will apply.

B4.1

A shoot-out will be used to determine the winner. (Reference article 3.04.01 R.Q.) Five players must be indicated on the score sheet prior to the start of the game. The entire team must be numbered to indicate the number of players, excluding goaltenders, which are eligible to shoot if a tie still remain after the first 5 shooters. In case of injury during the game, the list will be revised to reflect the injury. If after the first 5 shooters the game is still tied, then the shoot-out will proceed with each team sending one player to shoot until one team has more goals than the other. The ring will be placed on the red line, players will be in the semi-circle (center ice) closest to the opposing goaltender.

NOTE:

If a player missed spearing the ring, the shot is considered missed. Also, a continuous movement must be used, no stopping, no circling around the net is permitted and a player cannot go back from where she came from. If a goaltender deliberately commits a foul which warrants a penalty, a goal is awarded.

Miscellaneous

Sportsmanship is part of the game.

We would like to remind the coaching staff that they are responsible for their team and fans when they are in the arena.
